

Visiting and Staying at Cranfield – information for visitors to FAAM

How to get to Cranfield by road

From London and the South

M1 north to junction 13. Take A421 in the direction of Bedford, then immediately first left, signposted to Salford and Cranfield University, first right at Salford. Go straight across the first roundabout, right at the second, then left at the third. At the mini-roundabout (Garage on your left) turn right, the entrance to the university is first right – signposted 'Main Reception'.

From Birmingham and the North

M1 south to junction 14. Take A509 in the direction of Wellingborough, then immediately first right, proceed through Moulsoe, then turn left following signposts.

From Bedford and the East

A428-A422 west to Astwood (7m), then left following signposts. Or A421 south-west through Kempston then right through Wootton (5m) following signposts.

From Oxford and the West

Follow A34, then A421, to Bicester, Buckingham and Milton Keynes. In Milton Keynes follow signs to M1 North (junction 14). Then proceed as from Birmingham and the North.

(For those with a car GPS, the postcode MK43 0AL will get you to campus, but you'll then need the map on page 4 for the last bit.)

Parking permits

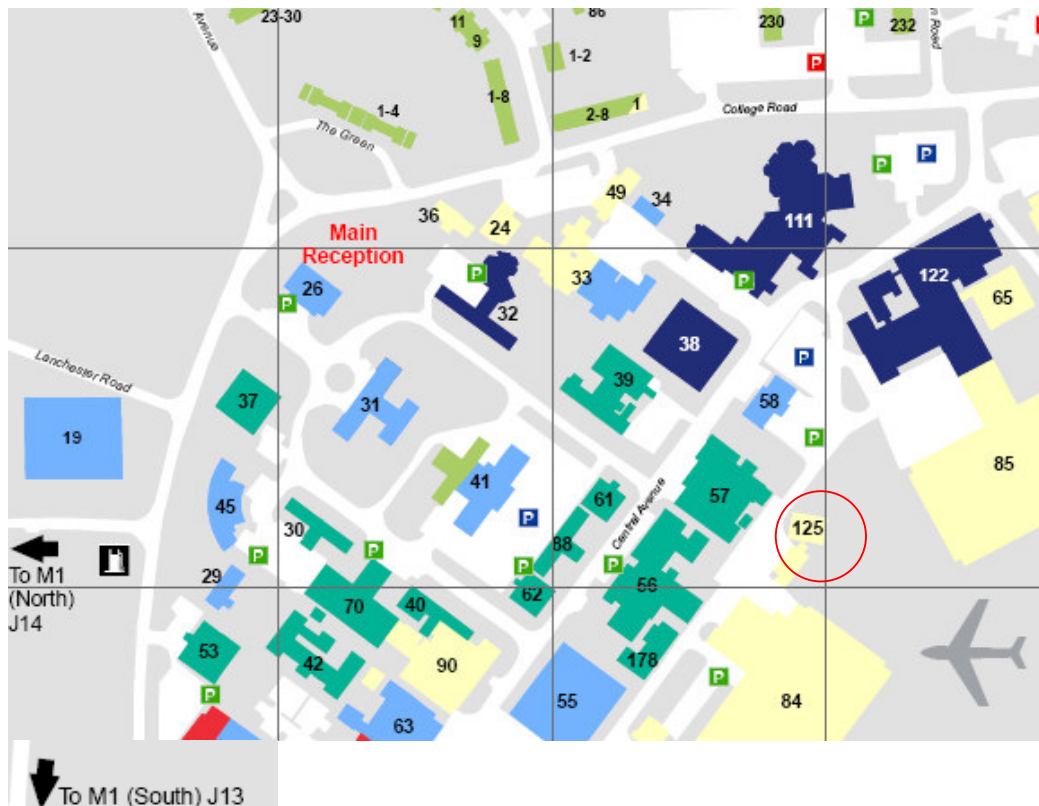

Vehicle permits are required on all vehicles parking on the Cranfield campus. Visitor Vehicle Permits can be either issued to visitors prior to their arrival or created on the day. For permanent staff, FAAM will arrange issue of a parking permit, but a visitors permit will be required initially.

Permits can be issued prior to your arrival by contacting Security and providing them with the details of the vehicle(s) due to park on campus – vehicle registration, name of the person you are visiting and the length of visit. The visitor permit can then be collected from Security on arrival.

Should it not be possible to arrange for a Visitor Permit to be issued in advance, visitors will need to visit security on arrival to collect a parking permit.

Location

The map below shows the central part of the campus site. FAAM is in building 125 (the “pink cube”, also known on campus as “the blancmange”) ringed in the lower right hand part of the map. The aircraft is kept in building 84 adjacent.

If you are working at FAAM for any period of time, we can issue you with a B125 swipe card in exchange for a suitable ID which will be returned to you in exchange for return of the access swipe card on departure.
