STU at FL300 for  
HMU RVSM check

Point 6 Daventry  
Corridor entrance

Point 5 Exit  
Daventry Corridor

Point 20

Point 18

NB. Crew Training at EGHQ Newquay & Aircraft HMU RVSM validation. No Science

STD 1300z EGLF Farnborough

Route on SID to Hazel then towards Bristol Channel at FL080  
on reaching MERLY descend to surface for approx. 0100 for Low Level training before  
heading to NQY Newquay for circuit training. On completion of circuit training NQY,  
approx. 0130, head to Point18 climbing to FL300 to be level at STU for aircraft HMU  
RVSM validation, then recover to EGTC Cranfield via the Daventry Corridor.
